Step 1: Follow the guided Giveaway set-up in your dashboard. BetterWorld's tools are ready to use as soon as you sign up. All you need to do is plug in your Giveaways details to start raising funds!

The image shows a screenshot of the BetterWorld dashboard. At the top left, the 'betterworld' logo is visible. Below it, there's a section for 'Your Organization' with a 'bu' icon and 'Your Organization' text. The main content area features a giveaway titled 'A set of Tulip & Bear candles'. The giveaway details include: '17 days remaining', '\$ total of \$60 (ticket cost)', and '1 ticket = 250 entries'. Below this, there's a description: 'Three premium, hand-poured, soy-wax candles from Tulip & Bear'. There are social media icons (Facebook, Twitter, Email) and a 'Get 250 entries' button. A 'Make a donation and receive chances to win!' section shows a 'Purchase' of '\$25' and a 'Get 250 entries' button. At the bottom, there's a 'Guidelines & additional information' link and a 'Or share to enter' button.

What should we call your giveaway?

Step 2: Add a deadline to enter and a winner selection date on the Item & Settings page of your dashboard. You can add multiple drawings if you would like to select multiple winners.

The screenshot displays the 'Item & settings' page for a giveaway titled "JET SKI RENTALS ON LAKE WALLENPAUPACK!". The page is divided into a left sidebar, a main content area, and a top navigation bar. The top navigation bar includes a search bar, a notification bell, and the organization name "Demo Organization". The left sidebar contains a list of navigation options: "View", "Overview", "Item & settings" (highlighted with a red box), "Entrants", "Select a winner", and "+ New giveaway". The main content area is titled "Drawings" and contains the following text:

Your giveaway can have up to 25 prize drawings.

Entrants will have until the entry deadline for a given drawing to be eligible to win. You can set this to the same date for each drawing if you want to select multiple winners at the end of your giveaway, or you can set these to different dates if you want to award prizes on different days throughout the campaign.

The winner selection date is the date you plan to select the winner. Maybe this is the same time as the entry deadline, maybe it's the next day, or maybe it's even further in the future – it's entirely up to you.

Below the text, there is a form for "Drawing 1" with the following fields:

- ENTRY DEADLINE (EST)**: March 31, 2023 8:00pm
- WINNER SELECTION DATE (EST)**: March 31, 2023 8:00pm

A blue "Save" button is located below the form. At the bottom of the drawing list, there is a red button labeled "+ Add another drawing" (highlighted with a red box).

Step 3: Publish & Share! Your ready to set your Giveaway to public so donors can enter to win. Copy your Giveaway link or share it directly on social media and via email!
