

betterworld

Every part of your gala, powered by one platform.

Ticketing, table assignments, sponsor visibility, check-in, and integrated fundraising – most organizations stitch together three or four separate tools to run one event. BetterWorld puts it all on one page, one checkout, and one report, so your team spends event night with your guests instead of your spreadsheets.

30+ hrs

saved per event.

30%

more raised per event.

95%

of donors cover processing fees.

5-min

to launch your event page

Before the event

A branded page that builds anticipation and sells the room out.

Countdown timer & photo gallery

A live countdown, venue map, and image gallery help drive attendance.

Unlimited ticket tiers

Support individual, couples, VIP, sponsor tables, and RSVP-only tickets with early-bird pricing.

Add-ons at checkout

Drink tickets, mulligans, VIP afterparties, and raffles drive extra revenue at checkout.

Sponsor visibility

Tiered logos (Platinum, Gold, Silver) appear across the event page, emails, and check-in.

Can't attend? Donate instead

A visible giving option captures support from guests who can't attend.

On event night

Short lines, happy guests, and every fundraiser in one checkout.

QR check-in

Scan and greet guests instantly – volunteers see name, ticket, table, and notes at a glance, no lists required.

Table assignments on arrival

Seating appears automatically at check-in, and table cards generate on their own.

One checkout, every fundraiser

Tickets, auctions, paddle raise, raffles, and donations all run through a single transaction and receipt.

Live giving thermometer

Guests watch the event total grow with every ticket, bid, and donation – driving generosity.

One report the next morning

One dashboard, one export, one reconciliation – wrap up in hours, not days.

Live in minutes, not months.

1

Build your event

Set ticket tiers and pricing, design your page, showcase sponsors, and add discount codes.

2

Sell & prepare the room

Guests register and get QR tickets. Assign tables and seats before anyone walks in.

3

Check in fast, start the night

QR or self-service check-in gets guests to the party – and to giving – faster.

Real results from real organizations.

Ran ticketing, auctions, and donations for 400+ gala guests from a single checkout – with one reconciliation report done by morning.

Found BetterWorld intuitive and effective for handling events, ticket sales, and donation campaigns in one place.

One page. One checkout. One report.
Every part of your event, **together.**
