

betterworld

You deserve better.

Your platform is taking more from your mission than it should.
See your real cost in 60 seconds – no signup required.

Why organizations are switching?

The right platform should help you raise more, work smarter, and keep more of every dollar focused on your mission.

No hidden donor tipping fees.

“Free” platforms shift the cost onto your donors at checkout. BetterWorld doesn’t.

Built for real integrations.

Native connections to Salesforce, HubSpot, and Raiser’s Edge – no Zapier workarounds.

Reporting that scales with you.

CFOs and data-driven EDs get the depth that basic dashboards can’t deliver.

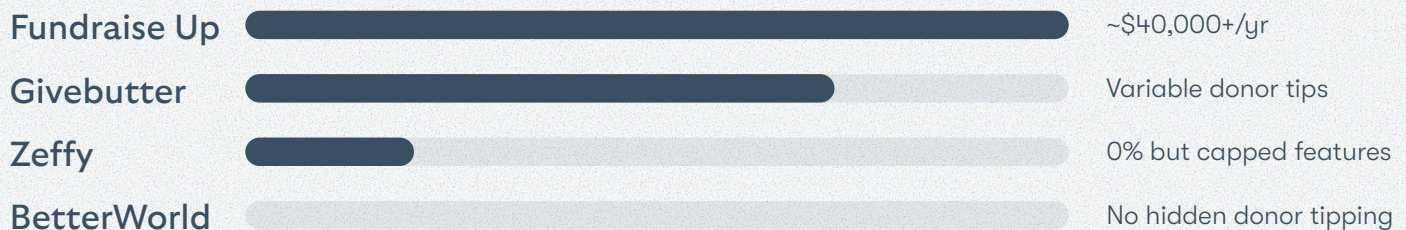

Switch without disruption.

Run platforms in parallel and migrate on your timeline – zero donor disruption.

Effective cost on a \$1m raise.

The true cost of a fundraising platform goes beyond subscription fees. Compare how pricing models and platform limitations can affect your fundraising.

*Bar length reflects relative cost or limitation, not exact dollar parity.

Nonprofit and organizations
like yours **have already switched.**
